EU SETTLEMENT SCHEME IMPORTANT INFORMATION

If you are an EU citizen¹, you and your family members are able to apply to the **EU Settlement Scheme** to continue living in the UK.

What is the EU Settlement Scheme?

- public services, such as healthcare and schools
- public funds and pensions
- British citizenship, if you meet the requirements and want to apply.

Who is eligible?

The EU Settlement Scheme applies to EEA and Swiss citizens:

1 EU citizens used throughout refers to EEA and Swiss nationals, who are all eligible to apply to the EU Settlement Scheme.

2 Irish citizens do not need to apply, though they are able to do so if they want to. Non-Irish, non-British family members of Irish citizens will need to apply to the EU Settlement Scheme if they want to stay in the UK after 31 December 2020.

Family members of eligible EU citizens

Non-EU family members living in the UK by **31 December 2020**³ are eligible to apply to the EU Settlement Scheme. Close family members who are not living in the UK by **31 December 2020**⁴ will be able to join their EU family member in the UK at **any point in the future**⁵, as long as the relationship still exists.

Close family members include spouses, civil partners, unmarried partners and dependent children, grandchildren, parents and grandparents. Family members do not need to be from the EU, they can come from anywhere in the world (known as non-EU family member).

How to apply?

You need to complete a **short online application form** using a computer, tablet or mobile phone. The application will ask for basic information like your name, address, contact details and nationality. Your application saves automatically, so if you want to, you can start and then complete it at another time. It is **free to apply** to the EU Settlement Scheme.

Application guidance can be found on **GOV.UK**. Once you have read the guidance, start your application at **[gov.uk/apply-eu-settled-status](https://www.gov.uk/apply-eu-settled-status)**.

Proof of identity

Verify **your identity** and nationality using your passport, national identity card, or biometric residence card (if you are a non-EU citizen). You can either scan your identity document using an Android device, send in your identity document by post or visit a location providing access to the ID document scanning service. A list of locations can be found at [gov.uk/eu-id-scanner-locations](https://www.gov.uk/eu-id-scanner-locations). You will also have to upload a digital photo of yourself.

Proof of residence

Prove **your residence** in the UK by providing your National Insurance number, if you have one. In some cases, you may need to provide additional documentation. You can upload these to your application.

Criminality check

Complete the **criminality check** by declaring any criminal convictions. Only serious or persistent criminality will affect your application.

Successful applicants will get **digital proof** of their status through an online service. In most cases your new immigration status will be granted within a couple of weeks. You can track the progress of your application online. Once you receive your status, details will be provided on how to access it on [GOV.UK](https://www.gov.uk). You will not get a physical document unless you are from outside the EU and do not already have a biometric residence card.

Pre-settled status

If you receive **pre-settled status**, also known as limited leave to remain or enter, this means you can stay in the UK for a period of five years. This will allow you to remain in the UK until you are eligible for settled status, generally once you have lived continuously in the UK for five years.

Settled status

If you receive **settled status**, also known as indefinite leave to remain or enter, this means there is no time limit on how long you can stay in the UK. You can go on to apply for British citizenship if you meet the requirements and want to apply.

When can I apply?

The EU Settlement Scheme is open and you have until **30 June 2021**⁶ to apply. Your rights will remain unchanged until then, provided that you were resident in the UK by **31 December 2020**⁷.
